25TH SUNDAY ORDINARY TIME YEAR A (WKD) YEAR 2. PSALTER WK 1

VOLUNTEERS WANTED ST AUGUSTINE'S PARISH: We would be grateful if volunteers would offer to assist with the following roles as soon as possible: Gift Aid Recorder, Sacristan, Mass Booking, Ordering Cleaning Supplies, Rota's for the various jobs, and Parish Pastoral Council Secretary. Training will be given where necessary. Please phone the Parish Office (01652 652221) or email stmarysbrigg@gmail.com We thank Ann Taylor for the work she has done so valiantly in the past, and very much appreciate the fact she will continue with these roles until others assume them.

THE PARISH: The Vatican recently published a document which states " Since its rise, therefore, the parish has been responding to a precise pastoral need, bringing the Gospel close to the People through the proclamation of faith and the celebration of the sacraments. The very etymology of the term makes the sense of the institution understandable: the parish is a house in the midst of houses and responds to the logic of the Incarnation of Jesus Christ, alive and operating in the human community. It, therefore, visually represented by the building of worship, is a sign of the permanent presence of the Risen Lord in the midst of his People. " Please support your Parish in every way possible and help make signs of Christ's presence visible in the Parishes of Barton and Brigg.

PARISH FINANCES:

Your P.P arrived here in strange, and difficult, circumstances for all of us created by the current Covid crisis. Gradually we are seeking to achieve the "new normal" by adding to the number of seats available in Church.

A major concern which was highlighted by Fr Ben, since the time the crisis began, has been Parish Finances. Both Parishes have a need to seek to build up, once more, parish revenue which has very seriously declined since the crisis began.

There is, of course, much uncertainty in the community at large with job losses, and the many consequences of that, and the fact businesses, whilst staying open, have less custom/footfall are reducing costs in so many ways.

However, what was true before remains true today. It would help if a parish knows from week to week, and month to month, what its income is likely to be, and budget accordingly. They can do that if people give a regular amount by means of a Standing Order or by use of Planned Giving Envelopes, and people commit to give what they can afford, on a regular basis, determined by them (weekly, monthly, quarterly etc.). If you do not give systematically by means a Standing Order or Planned Giving Envelopes please consider doing so. The amount you can give will, rightly, depend on your particular circumstances.

For every pound a person gives, by means of Planned Giving, in a way that can be recorded, The Parish can reclaim 25%, if the donor is an ordinary taxpayer. That additional 25p costs the donor nothing extra but will help the parish greatly.

The last time your PP worked in a Parish finances were only raised, as a topic, once a year at time when The Parish sought new Planned Givers, or asked for a possible increase in donations. He would like that to be the norm in the future. However, the financial needs of our parishes, and Diocese, are great. (It is also true we *currently* have to order new envelopes for next year.) You are asked to consider:

1. If you are not in the scheme already, can you join the Planned Giving Scheme?
2. Increasing the amount you give, if your circumstances allow.
3. Sign/create a Gift Aid Agreement in favour of the Parish..
4. Making an (additional) one off Donation (which can be Gift Aided).

For simplicity, it is possible to create a new Standing Order, or Gift Aid Agreement, or make a one off donation, to the Parish at The Diocesan website: <http://www.dioceseofnottingham.uk> Alternatively, email us or phone and ask us to send you a Standing Order Form, or a Gift Aid Form, or provide a box of Planned Giving Envelopes. We really do need a lift in giving, and greater certainty.

Thank You for all you do in support of our Parish. Let us each pray for one another, and work together to support of the missionary work of The Church.

COLLECTION, MASS OFFERING ENVELOPES (Requests) to be put in The Collection Basket on leaving Holy Mass. If the date is imminent please phone or email the date. (We are not meant to handle cash/envelopes for 72 hours after receiving them.) People who send Mass Offerings electronically to the Bank are asked to give "STIPEND" as the reference. Thank You..
