

SAFEGUARDING MATTERS:

Safeguarding within the Parish of St Mary and St Augustine, North Lincolnshire, and across the Diocese of Nottingham.

It is not possible to overstress the importance of safeguarding all people, especially children and those deemed vulnerable for other reasons, more especially within the Church, and The Church, Our Diocese and our Parish are committed to maintaining it in all spheres of life.

Within the Parish, those who wish to raise safeguarding issues should where possible contact our safeguarding representatives, who work in our Diocese independent of Parish structures.

The safeguarding representative who primarily worships at St Augustine Webster is Stephen Woodhouse Telephone: 07513 725265
email: Stephen.WoodhousePSR@dioceseofnottingham.uk

The safeguarding representative who primarily worships at St Mary's, Brigg is Clare King Telephone 07513 725273
email: Clare.KingPSR@dioceseofnottingham.uk

It should be noted the mobile numbers, and email addresses, quoted for Stephen, Claire and The Safeguarding Coordinator are provided by the Diocese for their sole use, for safeguarding purposes.

We all need to be safeguarding aware, and yet be welcoming to visitors to our Parish, and ensure all within our community can rest secure in the knowledge that safeguarding is a priority within The Parish.

As with most roles within a Parish Stephen, and Claire, are volunteers and we are grateful for their dedication and commitment to their role.
The Diocesan Safeguarding Coordinator can be contacted on: 07884 354729
